

Cedar Ridge Update

OCTOBER 2017

We're Moving!

This week we transition to our new model home at 71 Water View Dr. Don't miss this last opportunity to view our Mt Angeles model before the new owners take occupancy on November 1st!

Our new model features one of our newest floor plans, The Mt Mystery, in an innovative modern design rarely seen in our neck of the woods.

In the current model, it's the Outdoor Room and Pantry that elicit audible gasps of delight from our guests. We anticipate gasps of surprise turned to delight as guests transition from Entry to Kitchen in the new model. Here's a sneak preview.

Did you gasp? The smiles won't stop there though! Leave it to [Anderson Homes](http://AndersonHomes.com) to be ahead of the crowd in expressing Contemporary Northwest design in fresh new ways.

OUR NEW WEBSITE IS LIVE!

Tell us what you think. And you might want to view the posted sales map if you haven't been here in a while. We've been busy!
